Train your digital skills with the SUSTAGRI4.0 E-Commerce Platform

The advertisement features the SUSTAGRI4.0 logo in the top left. The main text reads "Helping farmers to reach online markets" in white and orange. In the center, a laptop displays a webpage titled "Goods for a better tomorrow" with images of strawberries. To the right, a circular inset shows a smiling farmer in a hat holding a wooden crate of fresh produce. At the bottom, the URL "grass-sustagri.eu" is displayed in green, and the European Union logo is in the bottom right corner with the text "Funded by the European Union".

Grass is the SUSTAGRI4.0 Training E-Commerce Platform now open for all users! Our platform is designed to help agri-food businesses develop their digital skills in e-commerce platforms, with a step-by-step methodology on how to create a profile, a store, and how to manage their business online.

Navigate through Grass and practice your digital skills!

Come with us to the SUSTAGRI4.0 Multiplier Events!

SUSTAGRI4.0 Multiplier Events will happen in five European Cities: Cloughjordan, Ireland; Sassari, Italy; Valencia, Spain; Veroia, Greece; and Messina, Italy.

The Multiplier Events will be focused on the learnings and results of the SUSTAGRI4.0 Training E-Commerce Platform, Grass. The platform will be officially launched now in March 2024, and during February farmers were invited to test the platform as a trial phase and to provide feedback.

Check below the dates, location, and detailed information about the upcoming Multiplier Events:
