**In the last newsletter of SUSTAGRI4.0, dive with us on what happened in the last months of the project!**

In late March and early April, the Multiplier Events of SUSTAGRI4.0 took place in five different cities in four countries. It was a great opportunity to talk to farmers, students in the agri-food sector, teachers, professionals, and more people enthusiastic about learning more about the milestones of the project, the E-Course and the E-

## SUSTAGRI4.0 Multiplier Events Interviews

 In each Multiplier Event, interviews were conducted with different individuals present at the events: organisers, teachers, coordinators, attendees, and other engaged people interested in knowing more about SUSTAGRI4.0.

### Valencia, Spain

Sonia Gavila, Julia Tudela, Oscar Garzó

Faculty of IES La Canal de Navarrés

In the Multiplier event in the city of Valencia, the SUSTAGRI4.0 team interviewed three faculty members of the institute on their impressions about the project, its results, and how students can take great value from the E-Course and the E-Commerce Training Platform Grass.

## Sassari, Italy

### Francesca Marras - Olive oil producer

In Sassari, Italy, professionals from the agri-food business, mostly entrepreneurs in the oil production sector, attended the Multiplier Event to learn more about the results of SUSTAGRI4.0 such as the E-Course and the E-Commerce Training Platform. Francesca Marras, an independent olive oil producer, was one of the attendees, and was interviewed about her thoughts about the project.

## Messina, Italy

**Pietro d'Agostino, Chef**

During the Multiplier event in Messina, Italy, the Michelin-starred chef and owner of La Capinera in Taormina, Pietro d'Agostino, talked with the SUSTAGRI4.0 team through a video call directed to the students of the Agricultural Institute "P.Cuppari".

## Continue learning with the SUSTAGRI4.0 E-Course!

[Subscribe](#)[Past Issues](#)[Translate ▼](#)

➤ The SUSTAGRI4.0 E-Course is another of the milestones which will be available to everyone even with the ending of the project.

All videos will still be available to watch through the website and YouTube.

And now the videos have another language in subtitles: Dutch! Maak je klaar voor de digitale wereld! 🇳🇱

[Follow the E-Course here](#)

## And that's a wrap!

♥ From all partners, we would like to thank you for all the support, with a special thanks to all stakeholders who were part of SUSTAGRI4.0 in the 24 months of the project.
